

MAPS

Map 1: Underground gas storage in Europe	45
Map 2: Natural gas transportation and storage system in China	63
Map 3: Gazprom storage in Europe (working gas capacity, 2015).....	84
Map 4: Gas storage facilities in the Producing region – Salt vs. non-salt	96
Map 5: TPA access regimes in the EU.....	147
Map 6: Gas transmission pipelines and storage in Alberta.....	160
Map 7: Enbridge's storage facilities in Ontario	161
Map 8: Union Gas' storage facilities in Ontario	162
Map 9: Location of TransGas gas storage in Saskatchewan.....	162
Map 10: U.S. Underground Natural Gas Storage Facilities, End of 2011	169
Map 11: Natural gas transportation system in Argentina.....	179
Map 12: Mexico's gas transportation system	181
Map 13: Mexico - Existing LNG storage and possible areas for development of UGS facilities	182
Map 14: Underground gas storage in Albania and TAP route.....	184
Map 15: Gas storage system in Austria.....	188
Map 16: Belgian gas transportation and storage network	192
Map 17: Natural gas transportation and storage system in Bulgaria	197
Map 18: Gas transportation and storage system in Croatia	199
Map 19: Natural gas transportation network and UGS in the Czech Republic.....	203
Map 20: Danish gas transportation and storage network (winter 2012/13).....	207
Map 21: Gas transportation and storage system in France	212
Map 22: Gas storage system in Germany.....	223
Map 23: Hungarian transportation and storage system.....	228
Map 24: Gas transportation and storage system in Ireland.....	232
Map 25: Natural gas transportation network and UGS in Italy.....	236
Map 26: Transportation and storage system in Latvia/Baltic States	244
Map 27: Transportation and storage system in the Netherlands.....	250
Map 28: Gas storage system in Poland	254
Map 29: Gas transportation and storage system in Portugal	258
Map 30: Gas transportation and storage system in Romania.....	261
Map 31: Natural gas transportation and storage system in Serbia	264
Map 32: Natural gas transportation network and UGS in the Slovak Republic.....	267
Map 33: Underground gas storage in Spain.....	272
Map 34: Natural gas transportation and storage system in Turkey.....	278
Map 35: Natural gas transportation and storage system in the United Kingdom	286
Map 36: Gas infrastructures in Azerbaijan.....	294
Map 37: Natural gas transportation system in Belarus.....	297
Map 38: Natural gas infrastructure in Kazakhstan and Uzbekistan	300
Map 39: Underground gas storage in Russia	307
Map 40: Natural gas transportation and storage system in Ukraine.....	311
Map 41: Australian gas basins and transmission pipelines.....	320
Map 42: Gas Storage Facilities in Eastern Australia	323
Map 43: Natural gas transportation and storage system in Japan	327
Map 44: Natural gas pipeline projects to Pakistan	330
