

LIST OF TABLES

TABLES

Table 1: Distribution of UGS facilities by region.....	21
Table 2: Ratio Global working gas capacity/Gas consumption, 1970-2013	22
Table 3: Overview of underground gas storage in the world - Storage in operation at the beginning of 2013	24
Table 4: World gas supply and demand prospects to 2030	26
Table 5: Main storage drivers and challenges by region.....	29
Table 6: Storage projects under construction.....	30
Table 7: Planned storage projects.....	32
Table 8: Total storage projects.....	33
Table 9: Underground gas storage in Europe. Existing, Under construction and Planned	46
Table 10: UGS facilities in China at the beginning of 2012.....	61
Table 11: Gas storage projects planned under the Five-Year Plan for Natural Gas (2011-2015)	62
Table 12: Gazprom current and planned storage projects in Europe	83
Table 13: Salt cavern facilities in operation in the United States	93
Table 14: Investment costs - Estimated breakdown by main cost components	129
Table 15: Main parameters in a “typical” European storage.....	131
Table 16: Operating costs of gas storage	131
Table 17: Estimated investment costs of several recent projects	135
Table 18: Key milestones in legislative process of the EU gas storage sector	143
Table 19: Underground gas storage facilities in Canada, in operation and planned (beginning of 2013)	163
Table 20: Overview of gas storage in the United States, beginning of 2013	167
Table 21: UGS facilities in the United States (beginning of 2013)	172
Table 22: Gas storage projects in the United States	175
Table 23: UGS facilities in Argentina (beginning of 2013).....	179
Table 24: UGS facilities in Mexico (beginning of 2013).....	182
Table 25: Planned underground gas storage in Albania	184
Table 26: UGS facilities in Austria (beginning of 2013)	187
Table 27: UGS facilities in Belgium (beginning of 2013)	191
Table 28: Tariff approved by CREG for the regulatory period 2012-2015 (year 2012).....	193
Table 29: UGS facilities in Bulgaria (as of beginning of 2013).....	196
Table 30: UGS facilities in Croatia (beginning of 2013)	198
Table 31: UGS facilities in the Czech Republic (beginning of 2013)	202
Table 32: UGS facilities in Denmark (beginning of 2013)	206
Table 33: Storengy Storage groups in France.....	210
Table 34: UGS facilities in France (beginning of 2013)	213
Table 35: UGS facilities in Germany (beginning of 2013)	220
Table 36: UGS facilities in Greece (beginning of 2013)	224
Table 37: UGS facilities in Hungary (beginning of 2013)	227
Table 38: Fees for basic storage services in 2013 in Hungary.....	229

Table 39: UGS facilities in Ireland (beginning of 2013)	232
Table 40: UGS facilities in Italy (beginning of 2013)	238
Table 41: Storage tariff in Italy for 2012/2013.....	240
Table 42: UGS facilities in Latvia (beginning of 2013)	243
Table 43: UGS facilities in Lithuania (beginning of 2013)	245
Table 44: UGS facilities in the Netherlands (beginning of 2013)	248
Table 45: UGS facilities in Poland (beginning of 2013).....	253
Table 46: UGS facilities in Portugal (beginning of 2013)	257
Table 47: UGS facilities in Romania (beginning of 2013)	260
Table 48: UGS facilities in Serbia (as of beginning of 2013).....	263
Table 49: UGS facilities in the Slovak Republic (as of beginning of 2013).....	266
Table 50 Storage tariffs in Slovakia, 2011 and 2012	268
Table 51: UGS facilities in Spain (beginning of 2013).....	271
Table 52: UGS facilities in Sweden (beginning of 2013)	274
Table 53: UGS facilities in Turkey (as of beginning of 2013).....	277
Table 54: Existing UK import infrastructure	281
Table 55: UGS facilities in operation in the United Kingdom (beginning of 2013)	282
Table 56: UK storage projects under construction, planned and abandoned (beginning of 2013) ...	285
Table 57: Existing UK UGS storage and TPA status	289
Table 58: Standard storage tariffs at the Rough facility (C-Store prices as of April 2013).....	289
Table 59: UGS facilities in Armenia (beginning of 2013)	291
Table 60: UGS facilities in Azerbaijan (beginning of 2013)	294
Table 61: UGS facilities in Belarus (as of beginning of 2013).....	296
Table 62: UGS facilities in Kazakhstan (as of beginning of 2013).....	300
Table 63: UGS facilities in Kyrgyzstan (as of beginning of 2013).....	301
Table 64: UGS facilities in Russia (beginning of 2013)	306
Table 65: UGS facilities in Ukraine (as of beginning of 2013)	310
Table 66: UGS facilities in Uzbekistan (as of beginning of 2013)	314
Table 67: UGS facilities in Iran (beginning of 2013)	317
Table 68: UGS facilities in Australia (beginning of 2013)	322
Table 69: UGS facilities in Japan (beginning of 2013)	326
Table 70: UGS facilities in New Zealand (beginning of 2013)	328
