

# THE INTERNATIONAL ASSOCIATION FOR NATURAL GAS

INTERESTED IN ACCURATE  
MARKET DATA FOR  
THE GAS INDUSTRY?

**CEDIGAZ**

## **INDEPENDENT BUSINESS INTELLIGENCE FOR THE GAS INDUSTRY**

**CEDIGAZ is an international not-for-profit organization created in 1961 by corporate and institutional members with a mandate to deliver accurate market data and analyses on natural gas, LNG and unconventional gas.**

Today, leading oil and gas companies, industry organizations, banks, consultants, engineering and equipment firms from forty countries rely on the excellence and the reliability of CEDIGAZ's regular news, surveys and databases.

Backed by nearly 60 years of experience, CEDIGAZ is widely recognized as a dependable source of information by gas analysts, international organizations such as the International Energy Agency or the Organization of Petroleum Exporting Countries and reference publications like the BP Statistical Review.

## CEDIGAZ DATABASES

# DRAW YOUR OWN ANALYSES FROM COMPREHENSIVE RAW DATA

Designed for gas professionals with little time on hands, CEDIGAZ databases allow to dig into detailed and accurate data. Advanced browsing and reporting features help focus on what is important for business research. Data visualization with graphs and charts, standard or customized reports contribute to a better understanding of the market situation. And it can be easily shared with teams thanks to Excel exports. Ranging from global overviews, to data dedicated to LNG and underground storage facilities, CEDIGAZ databases take market analyses a step ahead.

### Annual Gas Indicators by Country

- Include reserves, gross and marketed production, reinjection, flaring, consumption, imports and exports and infrastructure
- Covering 120+ countries from 1950 to now
- Simply the reference database for gas experts

### Trade Statistics on Bilateral Gas Flows

- Annual pipeline gas flows
- Annual LNG flows
- Monthly LNG flows and prices

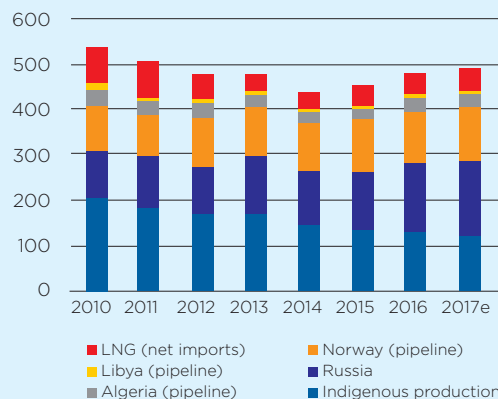

### Planned and Existing Infrastructure

- LNG liquefaction plants
- LNG regasification plants
- Underground gas storage facilities

### Contracts

- Long-term LNG supply contracts
- Long term pipeline gas supply contracts - Europe

Evolution of EU gas supplies

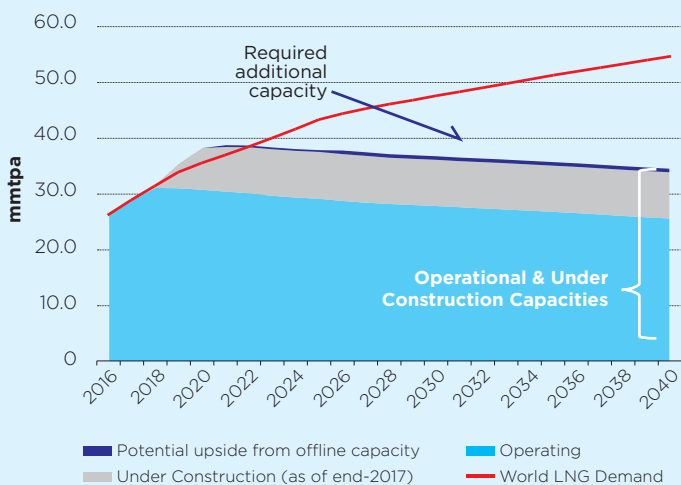

**CEDIGAZ REPORTS**

## DERIVE YOUR STRATEGY FROM PRIME MARKET KNOWLEDGE

With the ongoing energy transition, gas markets are moving fast. While it can be hard to stand back from the day-to-day business, CEDIGAZ provides premiere access to the prior year's statistics to members and sheds light on the most important topics. Reports are researched and written for demanding professionals and can strongly support strategic plans.

**Effective Liquefaction Capacity vs. LNG Demand**

- **First Estimates**

Showcasing the first released figures of the prior year's natural gas markets, a highly anticipated and respected report for global gas analysts

- **Annual Statistical Report**

The most complete worldwide gas market statistics

- **CEDIGAZ Insights**

3 to 4 special investigations every year on key gas market issues

- **Thematic Reports**

In-depth research studies on targeted topics. Previous years' reports deep-dived into: Underground Gas Storage & LNG Storage in the World 2015-2035 (2016), Gas and Coal competition in the EU power sector (2014), LNG in Transportation (2014)

**CEDIGAZ MARKET NEWS**

## ACT FAST ON OPPORTUNITIES

With CEDIGAZ team's daily selection of the most important industry news, CEDIGAZ members keep a finger on the pulse of the natural gas market online. And should they miss it, they can either read the biweekly digests - CEDIGAZ News Report (CNR) for conventional gas and the Unconventional Gas Report (Ugas) - or search past articles by keywords.

## CEDIGAZ MEMBERSHIP

# THE RIGHT BUSINESS INTELLIGENCE RESOURCES FOR EACH BUSINESS STRATEGY.

CEDIGAZ's membership is open to companies, professional organizations and independent consultants. Access to services is as simple as it can get : once a company or an organization is registered, any of its employees can benefit from the services subscribed. And with the corporate subscription, every fully-owned subsidiary is granted the same service rights as the mother company. CEDIGAZ adapts to each company's strategy with three service levels: a "Base" package, a "Standard" package and a "Premium LNG" Package. Contact us for advices on what can best fit your user profile.
