## ABOUT THE AUTHORS

**Alexander Kislov** is an independent consultant in the natural gas business and energy sector with about ten years' experience in energy markets and international relations. Since the end of 2022 Alexander provides strategic consulting to stakeholders in the Israeli gas market. In 2019-2022 as a member of Gazprom Strategic Department he was responsible for developing Gazprom's long-term export strategy. Prior to that role Alexander contributed to the company's business development in the Asian region. Alexander's professional interests include international gas market developments global LNG trade, data analytics and natural gas projects' economic evaluation.

**Gina Cohen** is a natural gas analyst, consultant, lecturer at university and at international conferences, author of two books on natural gas. Over the years, Gina has worked as a consultant to numerous major gas exploration companies operating in the Eastern Mediterranean, as well as to major gas buyers in the region. Gina has collaborated with government institutions, in Israel and abroad. Gina's articles and comments are regularly published by Israeli newspapers and international news agencies; she is a frequent speaker at international oil and gas conferences. Many of her articles can be accessed on her website <http://www.hebrewenergy.com/>.
