Executive Summary 5

Chapter 1 – Introduction: current state and growth prospects for small-scale LNG 8

What is SSLNG and how does it fall into the global LNG market?..... 8

What are the markets for SSLNG?..... 8

What are the forecasts? 9

Overview of paper 9

Chapter 2 – A brief introduction to LNG 11

History 11

Current state of the LNG industry 12

The LNG supply chain 13

The LNG market – supply 17

Chapter 3 – Small-scale liquefaction 22

Introduction 22

Small-scale liquefaction with supply from gas field 22

Peak-shaving LNG storage plants 24

Small-scale liquefaction, with supply from pipeline grid 25

Small-scale liquefaction, with supply from biomethane 25

SSLNG virtual pipelines..... 25

Market Analysis..... 27

Economic analysis 31

Active players and project examples..... 32

Future growth and perspectives 34

Chapter 4 – Supply infrastructure 36

Introduction 36

Market overview 36

Marine transportation..... 36

LNG trucking..... 38

Market analysis40

Active players and project examples.....43

Future growth and perspectives48

Chapter 5 – Marine transportation49

 Description of the market49

 Overview of the Technology50

 Inland waterways55

 Market analysis58

 Economic analysis60

 Active players and project examples.....62

 Future growth and perspectives64

Chapter 6 – LNG for road transport67

 Description of the market67

 Brief overview of the technology68

 LNG Refuelling Stations70

 Case Study: LNG Trucking – The EU Blue Corridors Project72

 Market analysis73

 Economic analysis76

 Active players and project examples.....79

 Future growth and perspectives82

Chapter 7 – LNG for off-grid applications.....86

 Description of the market and main players.....86

 Brief overview of the technology87

 Market analysis89

 Active players and project examples.....89

 Future growth and perspectives91

Chapter 8 – SSLNG for power generation92

 Description of the market and main players.....92

 Brief overview of the technology93

Market analysis98

Active players and project examples.....99

Future growth and perspectives100

Chapter 9 – Conclusions102

Marine transportation.....102

Road transportation103

Off-grid and power generation sectors103
